

Rainbow Gets Girls Ready for Life!

An international service organization for girls

Think of it as a global sorority, founded in 1922, where a girl can learn that she can make a difference and become a better person.

- Through working together and sharing together, members grow in many ways. Their confidence grows. Their public speaking ability is sharpened. They blossom into confident leaders. Girls learn how to set goals, organize their time, manage a budget, use their resources, implement their ideas and think creatively and critically. Girls learn proper etiquette, meeting protocol and parliamentary procedure.
- Fun with a purpose! Girls plan and enjoy fun times together...sleepovers, pizza parties, car washes, state meetings...the list is endless!! They create friendships that last a lifetime.
- Rainbow girls promote love of country and patriotism. Girls participate in local, state-wide and national projects such as the Habitat for Humanity, Texas Scottish Rite Hospital for Children, American Heart Association, Susan G. Komen Foundation, Make A Wish Foundation, Knights Templar Eye Foundation and others.
- **Go Rainbow** today for a better tomorrow because...**Rainbow Girls Dream Big!** Members learn that the big dreams they had as little girls are within reach when they put their heart and soul into achieving them.
